

Story Book Instructions

Step 1: Print 2 sided

Step 2: Fill in by Colouring and filling in the boxes of the story

- Note the page numbers for the correct order of your story
- Also note the direction of the text on the page numbers so that your pictures show up the right way once it is folded

Step 2: Assemble

- Fold top to bottom (along the dotted lines) so that your cover pages are on the outside
- Fold side to side (along the solid line) so that your cover is the front
- Carefully cut along the dotted line (the top fold) to separate the inside pages
 - be careful not to cut all the way to the centre or you will have two separate pages
